UNIQUE FEATURES

- A Linkages to Learning suite with a separate entrance is located adjacent to the Administrative Suite.
- Six unfinished classrooms were provided for a future capacity expansion. A future addition has also been master-planned for the site.
- Flexible and collaborative spaces are located throughout the facility. An innovative learning stair is located by the main entrance.
- A covered outdoor dining area adds flexibility.
- An interior courtyard provides an outdoor space for learning while allowing the interior spaces to benefit from natural light.
- The facility will earn level 2 Green Globes certification thanks to the–
 - high-efficiency LED lighting,
 - daylighting measures,
 - high-efficiency mechanical systems, and the
 - high-performance building envelope.
