

# AT Quick Guide

## TumbleBooks Overview

TumbleBooks is an online reading resource offering over 200 talking, animated picture books. Tumblebooks can facilitate reading skills, increase vocabulary and engage a diverse range of learners.

TumbleBooks offers many Universal Design for Learning features opening the pleasure of reading to:

- Students who have difficulty decoding, but can comprehend text when read to;
- Students who have difficulty tracking text;
- Students who are still learning English;
- Students who get distracted when reading; and
- Students who can't see the text;
- Students who need enrichment.
