**At Burning Tree we celebrate our community**

**We're honest and we show respect**

**Cooperation is the key**

**We love to learn and grow**

**And share all that we know**

**Burning Tree, oh Burning Tree**

**We love thee**

**We use our moral courage**

**To stand up for what we believe**

**And when we are true to ourselves**

**It is then that we really achieve**

**At Burning Tree we show success**

**by working hard each day**

**Consideration and our empathy**

**helps show us the way**

**Our responsibility**

**helps us be all we can be**

**Burning Tree, oh Burning Tree**

**We love thee**

**Burning Tree, oh Burning Tree**

**We love thee!**

**At Burning Tree our character counts! The school song incorporates various core values that our school focuses on each month. These core values are highlighted in pink.**
