

Women of Accomplishment: An Internet Scavenger Hunt

1. Scavenger Hunt project page and instruction/answer sheets are organized by type of resource you are using. First you will be using **Periodical Indexes and Magazines**, then **Online Encyclopedias**, then **Search Engines** and finally various individual **Internet sites**.
2. Numbers and names on the Scavenger Hunt project page correspond to numbers and names on the instruction/answer sheet.
3. Each name on the Scavenger Hunt page has a resource listed after it. This is what you will click on to get information about that person.
4. On the instruction/answer sheet, items with dashes are instructions to be followed. Items with dots are questions to be answered.
5. Follow instructions exactly.
6. Many of the directions begin after you have clicked on the name of the resource.
7. Remember to SPELL CORRECTLY. Check spelling before you click SEARCH.
8. After each person, go back using the BACK button to the Scavenger Hunt project page for the next person and their resource.
