

As teachers and students work towards building a more conceptual understanding of mathematics you might notice that **Eureka Math** teaches math differently than how you were taught in school. The Eureka Math curriculum goes beyond facts and formulas by teaching students to think about math conceptually. This helps students become not merely literate, but fluent in mathematics.

Eureka provides many resources for parents to support their children. Below are just a couple of examples of the resources available. You will also find below, directions for accessing all of the resources Eureka has to offer parents. This will help strengthen our school-home partnership in meeting students' needs.

PARENT RESOURCES

Your involvement in your child's education can have a significant impact on his or her success in school, that's why the teacher-writers who developed the curriculum, also created a suite of parent support resources that will help you support your child at homework time. These resources include:

- **Homework Helpers** — A grade-level resource that provides step-by-step explanations of how to work problems similar to those found in *Eureka Math* homework assignments. There is a Homework Helper to go with every homework assignment in the curriculum.
- **Parent Tip Sheets** — Topic-level tip sheets that explain math strategies and models, provide key vocabulary, sample problems, and links to useful videos.

GETTING STARTED

Accessing these free online resources is simple:

1 CREATE AN ACCOUNT

Visit GreatMinds.org/signup to sign up for your free parent account. Enter your name, email address, zip code, and select "PARENT" as your role. Then click the "CREATE" button. (Rest assured, your name and contact information will never be sold or shared with outside organizations.)

2 ACCESS YOUR DASHBOARD

Once you have created an account, you will have access to your personalized dashboard. (This is where you'll access or "launch" digital resources you check out with from the SHOP.)

3 VISIT THE SHOP

To add parent support resources, such as Parent Tip Sheets and Grade Roadmaps, to your Dashboard visit our SHOP at eureka.link/parent/shop.

ACCESSING YOUR ACCOUNT

To access your account and products the next time you visit GreatMinds.org, select "LOGIN" in the right-hand corner of the site and enter your email and the password you selected when you created your account. Once you've logged in, you will automatically be directed to your Dashboard.

HAVE ANY QUESTIONS?

To learn more about how *Eureka Math* can set your child up for success, call (844) 853-1010 or visit www.eureka.support.

Contact Ms. Cole, GES Staff Development Teacher, for more information as well.
