

The 24th Annual Drive for Supplies distribution event

Hello Westover Caregivers and Community members!

Over the next few weeks, students and staff are encouraged to donate new and gently used school supplies to this program.

Participation in Drive for Supplies is an excellent opportunity to emphasize our commitment to sustainability, recycling, and waste reduction, and support our local communities. Westover ES is encouraged to participate in this end-of-the-school-year program. Staff in the Division of Sustainability and Compliance, will present an award to the elementary, middle, and high school that collects the most

supplies such as books, scissors, crayons, colored pencils, paper etc. Ms.Cave and our Westover SGA will be collecting *and sorting new and gently used/reusable school supplies* now until the close of the school year for donation to students and families in need. Please begin sending in your donations now until June 10,2025. Ms. Cave will be collecting them in her office("The BEACH").

***ALSO, please keep the recyclables coming! We are continuing to recycle bubble wrap, batteries, used up markers, glue sticks/bottles, crayons, colored pencils,and printer cartridges. There are collection boxes in each classroom Thank you for all of your support!
Ms. Cave**
