

ENGLISH 12 SUMMER TASK 2022-2023

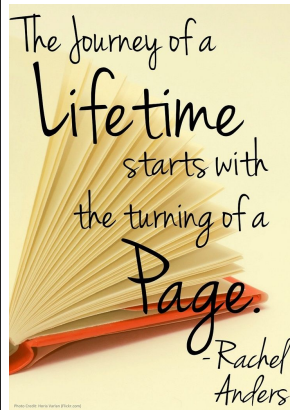

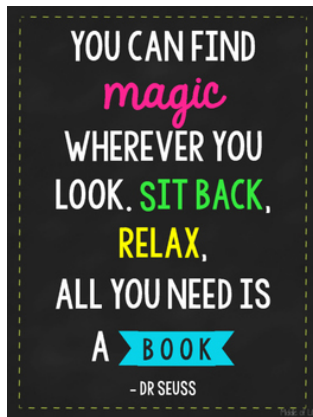

Welcome to the start of your last year of high school! The English 12 curriculum provides you the opportunity throughout the school year to have a lot of choice on what you read and write, so we're going to start the summer prior to English 12 in the same way.

YOUR SUMMER TASK:

Read any age/grade level appropriate book/magazine/article/blog of choice NOT read previously.

YES, you read correctly--you are being asked to simply read!
As many books as your summer permits and whatever genre(s) you enjoy.

WE HAVE one "REQUIREMENT" FOR THIS TASK:

1. Read with passion, excitement, and enjoyment!

RECOMMENDATIONS:

- ★ Take notes with page and/or chapter numbers as you read. Take notes in any way (silly notes, blog-style journal entries, drawings, etc.). Take notes to process what you read. Take notes to keep track of great quotations. Take notes about what you learn, what you notice about the writing or content. Take notes so you have them for a discussion about your reading! **Notes will NOT be graded.**
- ★ **IF** you do take notes, think of the notes as details that may help you discuss your reading with others.
- ★ We will complete an assignment and discussion during the first week of school. Use of your summer readings will be an option for this assignment and discussion! The more you read, the more options you will have!

NEED INSPIRATION FOR WHAT TO READ?

- ★ **Do a little googling.** Google: summer reading high school 2022, reading list high school 2022, etc. Then click around and get some inspiration. **Go to goodreads.com, bookish.netgally.com, or whatshouldireadnext.com!**
- ★ **Just walk into a bookstore** or the book section of a store (Target, Safeway, etc.) **or your local library.** You will see something that sparks your interest. Ask someone there for help and suggestions.
- ★ **Ask your friends and family members for suggestions.** They may have books to hand you. Then you can share that experience with them!

LET YOUR LOVE FOR READING AND WRITING BE REIGNITED AND SHINE THROUGHOUT THE ENTIRE YEAR!!!
