

Clarksburg High School

January 2024

Scholar Holler

Coordinator Clements's Comments

Welcome to 2024! I hope that everyone had a restful and relaxing break. This is always an important time to reflect on what have learned in the previous year and set our goals and intentions for the year to come. One of my goals is to read more and to spend more time outdoors. As you are thinking of your plans for the new year, I hope that learning is one of your goals.

I am currently working on planning field trips for the spring. I am hoping to take the freshman to the US Capitol, the sophomores to Planet Word, and I have reached out the Baltimore Aquarium about a field trip for the juniors! Stay tuned to see if these plans come to fruition.

A group of 20 APPS students are preparing for educational travel this spring break. If you are interested in our trip to Athens and the Aegean for spring break of 2025 please join us during a zoom meeting on January 9th at 7:30 pm. The zoom link will be sent via Canvas.

Student Spotlight

Julia Remmers

I'm currently in the Fire Science program. For the program, I go to fire academy for the second half of the school day. By the end of this year I will be a certified firefighter and by the end of next I will be a certified EMT. During my time at the fire academy get to experience live fires, carrying ladders, forcing doors and so much more. I enjoy this program a lot and I joined it because I want to be a paramedic one day.

APPS Faculty Spotlight

Emma Veteto

This is my second year at Clarksburg High School, and my first year teaching APPS English 10. I also teach English 9, and Graphic Novel, on top of assistant directing the Clarksburg Theater Program - CHStage! Although I keep busy at Clarksburg, I always make time to read, play video games, watch movies, and listen to podcasts about my favorite subjects. I love teaching APPS because the students rise to every challenge.

January Students of the Month

Class of 2024

Lauren Lederer is ALWAYS actively engaged in class. She participates in discussions and is happy and willing to work with any member of the class. I could be wrong, but I think Lauren wants to become a teacher, and we'd be lucky to have her as a colleague someday

Anjali Baron is incredibly hard working, and always submits excellent work. She is mature and a fantastic role model for her peers. Keep smiling!

Class of 2025

Class of 2026

Mariana Cabral Vives embodies the Coyote spirit. She supports her peers' competitions and promotes rigorous learning environments as a vocal and dedicated APPS student. Mariana always has a smile on her face, and she brightens every room she walks into.

Teo Kuperberg has outstanding insights. He is very mature and great to work with. He knows more than most students and handles his work very well.

Class of 2027

IMPORTANT DATES

January 9th– Greece meeting via zoom

January 22nd– Hassan Dixon Guest Speaker

January 24th– Jared Lee Guest Speaker
