SCHOLARSHIP INSTRUCTIONS

PURPOSE

Statistics indicate that the African American male is the least represented of the groups and racial genders attending colleges and universities, and they are also the least likely to graduate. Mu Nu Chapter of the Omega Psi Phi Fraternity, Inc. established the Rudolph W. Snowden Memorial Scholarship Fund, Inc. (RWSMSF) in March 1978 to help address this disparity. The two main objectives of RWSMSF are: 1.) to increase the number of African-American males attending colleges and universities; and, 2.) to preserve [Historically Black Colleges & Universities](#) (HBCUs). RWSMSF annually considers a limited number of scholarships offered to qualified African American males who are Montgomery County Public School (Maryland), high school graduating seniors seeking/pursing a bachelor's degree from an HBCU.

Scholarship awards are subject to available RWSMSF funding. Eligible applicants must apply by May 1st and selected awardees will be notified of their selection by June 15th. Scholarship awards generally range from \$1,000 to \$5,000. A selected awardee must provide proof of HBCU enrollment prior to RWSMSF release of award funds, which the award recipient may then apply to tuition or other school expenses.
