Dear Parent/Guardian,

Each year Richard Montgomery High School offers students the opportunity to take the **ASVAB** or **Armed Services Vocational Aptitude Battery**. What is the **ASVAB**? It is a multi-aptitude test battery that helps in identifying different skills and competencies which consists of eight short individual tests covering General Science, Arithmetic Reasoning, Word Knowledge, Paragraph Comprehension, Mathematics Knowledge, Electronics Information, Auto and Shop information, and Mechanical Comprehension. Not only do you receive scores on each of these individual tests, you also receive the results combined to yield three career exploration scores: Verbal Skills, Math Skills, and Science and Technical Skills. The **ASVAB** test results provide a snapshot of current knowledge and skills. These scores can be compared with the educational or job requirements for occupations of interest to students. Taking the **ASVAB** is in no way a commitment to join the military, and the scores will not be shared with any recruiters.

Your student has expressed an interest in taking the **ASVAB**, which will be administered on Thursday, March 3, 2022 at 7:45 a.m. in the Career Center. In order for him/her to take this test, you must give permission. Please sign and date the permission slip at the bottom of this letter. If you have any questions regarding this test, please contact Ms. Mary Fitzgerald Hull, the College/Career Information Coordinator, at 240-740-6135.

Sincerely,

Alicia Deeny,
Principal

PLEASE RETURN TO THE CAREER CENTER AS SOON AS POSSIBLE
