

Description

A musical composition entry may be for voice, instruments, or a combination of voice and instruments. Lyrics must be included in vocal compositions. The use of composition software is permitted as well as the use notation software for the purpose of creating scores. Entries can be created and performed by more than one person.

Presentation

Please submit your audio files and notation in the mp3 format to woottonlit@gmail.com. Students are not required to perform their own compositions, but they should also list the name of the performer. Do not record too loudly or too softly, and please have the background noise be at a minimum.
