ACTIVITY BUSES

On days that we have extra-curricular activities, activity buses will be provided. The routes will be different with fewer, centralized stops than the daily routes. Students who are not in a supervised activity (and especially those that leave school grounds) will NOT be able to ride the activity bus.

ATHLETICS

Consistent with all other middle schools in MCPS, Westland will offer the following interscholastic sports for seventh and eighth graders only:

- Fall- boys' softball, girls' softball and co-ed cross country
- Winter- boys' basketball and girls' basketball
- Spring- boys' soccer and girls' soccer

Students must have an updated physical (within two years) on file in the health room, and they must be academically eligible to participate. Sixth grade students may not participate in interscholastic sports, but they are encouraged to join intramural activities that are advertised during the school year.

ATHLETIC EVENTS AT OTHER SCHOOLS

Middle school students are not permitted to attend "away" athletic events at other schools unless they are supervised by their parent. This includes school cross country meets, softball games, basketball games and soccer games.

ATTENDANCE

Attendance is required by law. If a student will be absent, will be arriving late, or will be leaving early, please use the link on our webpage "Attendance Report Here" to notify the school. Alternatively, the parent/guardian may call the attendance line and leave a voicemail at 240.740.5851.

Absent or late students should bring an attendance note that includes student name, grade, date, reason for absence or lateness, parent/guardian name, parent/guardian signature and the phone number where a parent may be reached. Attendance notes should be hand carried to the main office when the student enters the building. Alternately, the parent may report an absence online or send a student with a note generated by the doctor/dentist. A student does not need to be accompanied by a parent when signing in late if s/he has a note.

Students leaving early for appointments should bring a note stating the time of the early dismissal to the main office before the start of the school day. A pass will be issued to the student to report to the main office at the time indicated so as to avoid calling into the classroom.

The adult picking up the student must come into the main office with a photo ID. No student will be released to an adult that is not authorized in writing to pick up a student.

All students must sign out in the main office if leaving the school before the final bell.

An absence from school is considered lawful only in case of:

- Activity accepted by school official and with prior approval
- Court summons
- Certified illness of the child* (*A physician's note is required if a student is absent 5 or more days.)
- Death in the immediate family
- Observance of religious holiday

- Severe Weather
- State of emergency
- Suspension

Vacations are not considered excused absences. The principal or grade level administrator may issue an exception in extraordinary circumstances. Requests to grade level administrators must be made at least one week before the expected absence. It is the student's responsibility to gather and complete any missing assignments.

BACKPACKS/BOOK BAGS/SHOULDER BAGS

Students will keep their backpacks, bags and other personal items (including their bags for PE clothes) in their assigned hallway lockers. PE lockers can be used to keep their PE bag and clothes during the assigned PE class period. Once class is over, students can return their PE bag (and clothes) to their assigned hallway locker.

BUSES

Morning procedure: If the school bus is more than 15 minutes late to the stop and there is not a likely weather delay, please call the Bethesda transportation depot at 240.740.6580.

Afternoon procedure: Buses will depart at 3:07 PM. No students may use the central sidewalk unless being picked up by a parent in the lot.

Bell Schedule: Students may arrive at Westland as early as 7:30. From 7:30-7:45 they can wait in the main lobby. From 7:45-8:00 they will relocate to the gym (6th and 7th graders) or the cafeteria (8th graders.) At 8:00 students will be dismissed from the large gathering spaces to their lockers and classes.

Bus Expectations: School Buses - Students must obey the bus driver at all times while under his/her supervision. The driver may request an assigned seat or removal of a student from the bus for disciplinary reasons. The driver will report all violations of safety regulations as well as any behavior problems to the school administrator. Expectations:

1. Greet the driver by name.
2. Remain 5 ft from the road while waiting.
3. Do not run along the side of the bus as it is arriving.

4. Follow school rules at the bus stop and while riding.
5. Ride only on your assigned bus.
6. Follow the bus operator's directions.

Students will ride their designated bus to and from school each day. Bus riding is a privilege, which can be revoked for a period of days or revoked for the entire year due to inappropriate behavior.

CAFETERIA

Westland provides breakfast and lunch each day. Reduced or free lunch applications may be completed online and will be made available to students during the first week of school. Breakfast and lunch items will be for sale unless students have been approved for free meals. Students will access their lunch accounts with their ID numbers.

Students are expected to behave appropriately in the cafeteria.

1. Students should be seated when they arrive and should remain seated unless getting food, taking care of trash/recycling or relocating to a free seat to sit at another table.
2. If attention is called, students should be seated, have their mouths closed, their bodies still and their eyes on the speaker.
3. Students may use the bathrooms nearest the cafeteria at any time that announcements are not being made to the group.
4. Students should obtain a written pass to go to any other part of the building.
5. If a student has a food item that they do not want to eat, the item should be placed on the share table.

6. Students may use the microwave ovens provided in the cafeteria. They should cover their food and clean up the microwave when they are done.
7. Students should clean up their tables and areas disposing of trash in receptacles and recycling items.
8. During lunchtime, Chromebooks may not be used in the cafeteria, outside the front of the school, in the courtyard or in the media center.
9. Students and parents/caregivers are not permitted to order food or beverages to be delivered to students at school at any time. Students may borrow money from the cafeteria if they need food.

CELL PHONES/MOBILE DEVICES

MCPS middle school students may possess cell phones/mobile devices on MCPS property and at MCPS-sponsored activities according to the following regulations.

Cell phones and mobile devices...

1. Must be powered down or silenced and stored in lockers at 8:10 AM.
2. Will not be used during class time or lunch time.
3. May be used during the 4 minutes before and 4 minutes after a student's lunch period while standing at their locker.
4. May be used at the end of the instructional day at 3:00.
5. May be used on school buses to and from school as long as they do not pose a safety hazard.
6. Electronic readers devices are permitted if used as readers.

If a device is seen or used when not allowed, the student will be redirected to store their phone in their locker and the parent of the student will be informed. With a repeat instance(s), the device will be stored in the main office to be picked up by the student at the end of the school day. Thereafter, students may receive additional disciplinary consequences such as checking the device into the main office upon arrival, having a parent pick up the device, etc. (Gaming systems should not be brought to school at all.)

CHROMEBOOKS

Each student has been, or will be assigned a chromebook for the school year. Parents/guardians are financially responsible for damage or loss to any Chromebook that is checked out by the student. The

device is loaned to the student to be used for instructional purposes only and in accordance with *MCPS Regulation IGT-RA, User Responsibilities for Computer Systems, Electronic Information, and Network Security, and with MCPS Technology Document Acceptable Use Policy for Chromebooks.*

Costs associated with fixing or replacing a chromebook due to accidental damage, intentional damage, theft, or loss are listed on the MCPS web page under chromebook information.

During lunchtime, Chromebooks may not be used in the cafeteria, outside the front of the school, in the courtyard or in the media center.

No personal laptops may be used at school.

DRESS CODE

The following expectations provide further detail to the expectations described in the Students' Rights and Responsibilities Handbook. They have been established to promote a safe and practical learning environment while still allowing students to express themselves.

1. Clothing must allow students a full range of motion (including sitting, bending, reaching, running) without at any time revealing private areas including the bottom or breasts.
2. Clothing must cover all underwear/undergarments.
3. Clothing or accessories with inappropriate statements, sexual or violent overtones or advertisements about alcohol and other drugs are not permitted.

If the expectations are not met, students will be asked to change their clothes. In matters of opinion, the judgment of the principal/principal designee shall prevail.

DROP-OFF/PICK-UP

Parents may drop-off and pick-up students in the designated drop-off area marked in front of the cafeteria. Parents should not leave their car idling unattended at arrival and dismissal. Please do not wait in one of the spaces designated for drivers with disabilities unless applicable.

EMERGENCY/CRISIS PROCEDURES

Shelter Drill: A shelter is implemented when an emergency situation requires all students to be under supervision and accounted for. This might include a severe weather situation or a medical emergency within the building.

- All students should be accounted for in an instructional area.
- Teachers should take attendance and wait for further directions and classroom instruction continues.
- Students and teachers should ignore class change bells.

Lockdown Drill: A lockdown is activated when there is urgent danger inside or immediately outside the school.

- All students should move to the nearest location where the door can be secured or locked.
- Students and staff members should remain in the room with the lights out, windows and blinds closed, and the door window covered.
- Students should await further directions, be silent and remain calm.
- Students and teachers should ignore alarms and bells that might sound.
- Teachers should take attendance if it is safe to do so.

Lockdown Drill with Options: A lockdown drill with options is activated when there is urgent danger inside or immediately outside the school.

- Students should follow guidelines for the "Lockdown Drill" above.
- However, if it is deemed that exit from the building is a likely safe option, **the students and adults may flee away from the school grounds to the closest intersection where they cannot see the school and contact 911.**

Evacuation: The school is evacuated if an emergency makes it dangerous to remain in the building

- All students should follow teacher directions to leave the building quickly, quietly and orderly through the exit designated for each classroom.
- Students should line up with their designated class (no less than 50 feet from the building) and remain silent for instructions and attendance.
- Staff members will take attendance and await instructions about returning to the building.
- Students are to remain outside until they are given the all clear signal from their teacher.

FINANCIAL INFORMATION

Obligations: Students who owe money for lost or damaged texts, materials, library books, etc. will be charged the replacement or damage cost as appropriate. This includes lost locks, replacement student planners, loaned lunch money, etc. If a student owes a financial obligation to the school, s/he may not be permitted to participate in events or activities that charge admission or a fee until the obligation is paid. (This includes end-of-year activities.) Families with economic hardship should contact their child's counselor or administrator.

Returned Checks: If a check is written to the school and is returned for insufficient funds or any other reason, families will be charged \$25.00 in addition to the initial amount of the check. If a check is returned, a letter will be sent by mail to the parent/guardian with the initial amount of the check and the total now due to the school. The student will receive an obligation for this amount and all obligation rules will be in effect.

FRAGRANCES AND SPRAYS (Added November 2023)

Students may not bring or use aerosol or pump sprays such as deodorants, hair spray, fragrances, perfumes, body sprays, etc. at school. (There are many people with allergies to such products.) Students ARE encouraged to bring solid deodorant or antiperspirant to school.

GOOGLE PROFILE

Students may only use school-appropriate images/graphics for their MCPS Google profile.

HALL PASSES

Students are required to have a hall pass when traveling in the hallways from 8:15 am to 3:00 pm.

HALLWAY EXPECTATIONS

To maintain a safe, respectful and orderly building students are expected to behave as follows:

1. Look out for one another,
2. Walk on the right,
3. Keep hands and feet to themselves,

4. Make room on crowded stairwells for traffic flow in two directions,
5. Use language that would NOT be bleeped by television censors,
6. Travel with a pass during STAR, class time and lunchtime, and
7. Respond to reasonable requests by adults—staff members and guest teachers alike.

HEALTH ROOM

The health room is open to students from 8:30 am - 2:50 pm. Except for emergencies, a pass is required to be admitted. If a student requires daily medication, an appropriate form must be filled out and signed by both the parent and the physician. Under no circumstances will either school or health department personnel administer medication brought to school by a student without appropriate paperwork. Students may not carry medication in school without the nurse's knowledge.

HOMEWORK

Homework is assigned to enable students to master skills in each subject and to extend and enrich their knowledge of particular content. It is recommended that students use our paper planner, purchase a Westland agenda book or utilize their own planner to track assignments. Homework assignments vary according to subject and grade level.

Guidelines:

Homework will consist of 20 minutes per class for a typical night. (Students should stop if homework for one class is taking more than 30 minutes on a consistent basis. The student or parent should inform the teacher.)

- Sixth grade- 45 to 75* minutes total
- Seventh grade- 60 to 90* minutes total
- Eighth grade- 75 to 120* minutes total

(*Time may be longer based on the number of high school level courses in which a student is enrolled.)

No Homework Weekends and School Breaks:

Locally, at Westland, we will continue to implement a handful of no homework weekends/breaks from school. However, reading assignments ARE allowable during these particular weekends and breaks.

At WMS, there will be no homework due:

- Monday, December 2, 2024
- Thursday, January 2, 2025
- Thursday, Feb 18, 2025
- Tuesday, April 22, 2025

LOCKERS

Students are assigned a large locker in the hallway and a small locker within the Physical Education locker room to be used for storing school-related possessions. **Students should not share lockers and should keep their combinations secret.** The school is not responsible for lost or stolen property, therefore it is not recommended for students to bring items of value (excessive amounts of money, jewelry, electronic devices, collection cards, etc.) to school. Administrators and/or security assistants may search a locker if deemed necessary.

LOST AND FOUND

Please label books, coats, lunch bags, etc. with your name. In some respects it is more important in middle school than in elementary school to label belongings because students travel to more locations! Personal articles found in the school building or on school property should be turned in to the main office.

- Glasses, keys, wallets/purses, electronic devices, etc. are stored in the main office.
- Books and notebooks are returned to the appropriate student or teacher.
- Clothing, umbrellas, water bottles and lunch bags are placed in the cafeteria.

MAKE-UP WORK FOR ABSENCES

Excused Absences

It is the student's responsibility to obtain missed assignments when absent from class. An "excused absence" does not mean the student is excused from completing the work. It just indicates that it is a lawful absence. It is recommended that students do the following:

- Check myMCPS classroom.
- Contact classmates about missing assignments using the student directory
- Arrange a make-up schedule with each teacher upon returning to class. The students will have three days to make up work for every day of an excused absence

When circumstances require that a student be absent

for three or more days, a parent or student himself/herself should contact the teachers to request the work. Teachers have 48 hours to generate work and may need to present some assignments when the student returns to school. Assistance can be requested of the counselor or grade level administrator.

MEDIA CENTER

The media center is open from 8:00am-3:20pm. Students can use the media center before and after school, and during classes (as permitted by the media staff and the classroom teachers). Books may be borrowed for a period of two weeks and renewed if necessary. No fines are charged on overdue materials; however, students will be obligated to pay for lost or damaged materials.

PASSES

Teachers will not issue passes to the bathroom or water fountain during the first ten minutes of class unless there is an emergency. Thereafter, only one student should be issued a pass from a class at any one time. Students will sign out and take a hall pass.

PROPERTY- SCHOOL PROPERTY AND PERSONAL PROPERTY

Students are responsible for any school property assigned to or used by them. This includes books, furniture, and equipment. Students must pay for any items lost, damaged or stolen. Students should use lockers to secure belongings. Intentional damage to private property will be addressed by administrators. (This does not include private property that is not permitted in school.)

REFERRALS OR TIME OUTS TO OFFICE

Students who are referred to the office must report immediately to the office and notify a member of the office staff that they are present. Students should not leave the office until dismissed by an administrator or another staff member. Any staff member, bus driver or guest teacher may refer students for behavior concerns..

REPORT CARDS

Students will receive report cards with marking period grades.

- Marking Period 1 ends October 31, 2024. Report cards distributed Nov 13, 2024.
- MP2 ends January 28, 2025. Report cards distributed February 6, 2025.
- MP3 ends March 28, 2025. Report cards distributed April 8, 2025.
- MP4 ends June 13, 2025. Report cards mailed home June 25, 2025.

SALES

Students are not permitted to sell items outside of an approved school fundraiser. This includes selling candy, food, toys, clothing, etc.

SNACKS AND WATER

All students will be provided opportunities to consume snacks during their classes

- Teachers will set parameters in their own classrooms about when/where snacks can be consumed and when/how students should take care of trash.
- No snacks are permitted in PE classes, the locker rooms, the media center or in computer labs.
- Water (but no other beverage) may be consumed unless it is inappropriate for an instructional space (i.e. computer lab) or an instructional task (i.e. science lab).
- No peanut/tree nut or peanut/tree nut snacks should be consumed because of shared classroom furniture.
- Students will NOT be given passes to retrieve snacks from their lockers.
- Snacks will not be shared.
- Sunflower seeds in shells are not permitted.

STAR

STAR (Students and Teachers Achieving Results) is a daily study and support period between 2nd and 3rd periods. On designated days, the school will present STAR lessons. On days without lessons, students will be encouraged to make appointments for re-teaching and re-assessing with their classroom teachers. Otherwise students are expected to work on

homework, classwork, or read silently.

STAYING ON CAMPUS

Once students arrive to school, they must remain on campus through the end of school day or the end of a supervised after-school activity. Students cannot leave campus-to go to the library, Starbucks, Giant, etc.—and return to campus to access our buses or to access an after school program.

STUDENT SERVICE LEARNING

Service learning experience is a graduation requirement. These 75 required hours may be accumulated through curriculum, co-curricular programs, community organizations or special student service learning activities.

Approval must be granted **prior** to beginning the activity. Verification forms are available in the main office, counseling office and on the website. Forms should be submitted no later than the end of the semester in which the hours were completed. If an activity is for two semesters, the hours earned each semester must be submitted at the end of the semester.

Original forms only will be accepted as documentation. No faxes or scanned copies will be accepted.

- Hours earned during the summer must be submitted by the last Friday in September- to be reported on the MP1 report card.
- Hours earned during first semester must be submitted by the first Friday in January- to be reported on the MP2 report card.
- Hours to be considered for the superintendent's service award must be submitted by the first Friday in April.
- Hours earned during second semester must be submitted by the first Friday in June to be reflected on the MP4 report card.

TARDIES

When students have unexcused tardies to a class, we will follow this procedure

- First time- oral warning, verbal reminder
- Second time- oral warning, contact home
- Third time- teacher consequence
- Beyond three- administrative consequence

TEXTBOOKS/WORKBOOKS/NOVELS

When texts or other materials are issued, the student's name, teacher's name, book condition and school year should be recorded on the bookplate. This enables us to quickly reunite lost materials with students. Students who lose or damage school texts will be given an obligation form by the teacher who issued the book. Students must clear all financial obligations before the end of the year.

TEST DAYS

Test days are scheduled for classes to spread out major assessments although quizzes may be given on any day of the week. The test days are:

- Electives- M and W
- English/Reading/ELD- M and Th
- Math- Tu and F
- PE/Health- Tu and Th
- Science- W and F
- World Languages- W and F

- World Studies- Tu and Th

Or written another way

- Monday: Electives and English/Reading/ELD

- Wednesday: Electives, World Languages and World Studies
- Thursday: English/Reading/ELD, PE/Health and Science
- Friday: Math, World Languages and World Studies

These test days may be shifted as agreed upon by the grade level team.

VISITORS

Adult visitors are welcome and requested to sign in at the main office, presenting a photo ID. The school is neither equipped nor staffed to accommodate student visitors. In addition, Westland will not tolerate trespassers.

Student Behavior

Every student at Westland Middle School has three basic rights:

- The right to be physically and emotionally safe,
- The right to feel physically and emotionally safe, and
- The right to learn.

Restorative Questions

Staff members and administrators will attempt to resolve concerns with a restorative approach.

These are sample questions we would pose to students who may have harmed an individual or group of people:

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you need to do to make things right?

These are sample questions we would pose to students who may have been harmed by another person(s) or who may have witnessed an event:

- What happened?
- What was your reaction at the time of the incident?
- How do you feel about the incident?
- What has been the hardest thing for you?
- What do you feel needs to happen to make things right for you or for others?
- Is there anything else you want us to know?

Academic Honesty

Students at Westland Middle School are principled, life-long learners who value academic honesty.

Academic honesty is the practice of adhering to a set of values and skills that promote personal integrity. An academically honest student produces work that is unique and does not share his/her work product unless permitted to do so based on the task.

When completing assigned tasks, homework, projects or assessments, students show academic integrity by not engaging in acts such as:

- Copying answers from others or allowing others to copy from them.
- Having or using a communication device such as a cell phone to send or obtain unauthorized information.
- Providing or receiving information about all or part of an assessment, including answers or questions from the assessment.
- Having or using notes or papers on an assessment that have not been authorized by the instructor.
- Copying by cutting and pasting from another piece of work.
- Copying and pasting information from the internet.
- Submitting the work of another student and claiming it as your own.
- Copying part or all of another student's paper and submitting it as your own.
- Knowingly failing to use quotation marks where appropriate.
- Failing to properly acknowledge paraphrased materials through textual citations, a works cited page, or a bibliography.
- Citing non-existent sources (articles, websites, books, etc.).

The following are potential consequences for academic dishonesty:

- Conference with student.
- Contact/conference with parent.
- Complete parallel assignment for full or partial credit.
- Earn lower grade or earn zero on assignment.
